

Label your tabs on your foldable with these subfields of psychology:

- | | |
|--|--|
| <input type="checkbox"/> Clinical | <input type="checkbox"/> Industrial/Organizational |
| <input type="checkbox"/> Counseling | <input type="checkbox"/> Environmental |
| <input type="checkbox"/> Developmental | <input type="checkbox"/> Psychobiologists |
| <input type="checkbox"/> Educational | <input type="checkbox"/> Forensic |
| <input type="checkbox"/> Community | <input type="checkbox"/> Experimental |

Directions: Use Chapter 1 Section 3 to read about each of these subfields and below the tab for each one, write down 2-3 bullet points of information on each subfield.
